RE: Donation for Second Bit T-Shirts

Russell,

Thank you for your donation of a number of Second Bite T-Shirts.

Please find a cheque enclosed as a donation towards your work.

We continue to be blessed by the good work of your organization and the team of volunteers you are able to mobilize.

Each Saturday we collect some 12-15 boxes of food from Camberwell market, plus 10 parcels of meat. This represents some 150-200 kgm of food per week.

Around 100 meals are served each week at our Drop In Centre.

In addition, we distribute excess food to the Ashburton Community centre and the Kew Uniting Church Great Grub

We appreciate the link with Second Bite and trust the relationship will grow.

Regards
